Chapter one

They Meet

One day, a black cat named Darth Vader went outside and left town and traveled into the big city to meet his friends. While walking.... a mouse ran up to him. His name was PB. Darth and PB knew at first sight that they would NOT like each other. Darth Vader chased PB around, and PB bit Darth Vader in the nose! PB followed Darth home that night as Darth ran home. When Darth came home with PB the

owner of Darth Vader saw PB and wanted to go to the pet store to get a cage for PB to sleep in.

Then that night, Darth's owner forgot to close the cage all the way, so PB got out of the cage and slept in Darth Vader's bed because it looked very cozy, and it was. Now, Darth had to sleep somewhere else! So he tried to sleep in PB's cage, but he couldn't fit! Darth got so **ANGRY** because he couldn't sleep in his bed. Then he tossed PB in his mouth and dropped him back into his cage. Then, PB stuck his nose out of the cage and bit Darth in the paw.

"OUCH!!!!" said Darth Vader as he went back to his bed. The next day, they went on a stroll in the park, and Darth found his friend.

"DARTH!!!!" yelled Hank. Hank was a stray kitten outside Darth's house, and they were friends.

"HANK!" yelled Darth. They ran to each other and hugged. PB saw his friend too.

"TEDDY!" yelled PB. Teddy was a hamster, a fuzzy one, and they both love to run on their wheels! They also hugged.

Darth got furious that PB had a friend and that they met at the park at the same time Hank met up with Darth. So, Darth

wanted to go back home, so he went back home with his owner. Darth's owner called for PB and told him that they had to go back home.

Chapter two

The fight begins

Remember, PB and Darth are rivals, not friends. The next day, the owner heard a sound coming from the kitchen. CLASH! KABOOM! SMASH! The owner ran as fast as he could to the kitchen. PB ran on

the counter, and Darth chased him and knocked down all of the dishes! The owner broke their fight apart and moved PB's cage to their room to stop the fighting...but it didn't work. They fought at the park, at the store, at the movies, at restaurants and, at home. Then, they fought again.

Then the owner got angry at them for fighting and said, "ENOUGH! I AM SICK AND TIRED OF ALL THIS FIGHTING! CAN YOU GUYS JUST STOP FIGHTING AND BECOME FRIENDS?!"

PB and Darth felt ashamed of their behavior, but they weren't becoming friends.

From now on, their fights weren't that bad because they both did not want to be kicked out for fighting.

So one day, the owner, Darth, and PB wanted to go see The Fight of Two Kittens at the movies. But Darth and PB couldn't come because there were no pets allowed at the theaters, so the owner left them home that night.

The Fight of Two Kittens

Chapter three

The Get-Together

While the owner was gone...

"Hey, Kitty!" said PB.

"WHAT!?" said Darth."

"Let's have a get together so that we get to know each other better!"

Darth said, "Ok. Maybe we will get to know each other better if we have a get-together."

So PB set up the table, and Darth set up the plates and utensils. Then they called

their friends. Ten minutes later, all of their friends came.

KNOCK! KNOCK! KNOCK! went the the door. PB ran to the door in a flash! All their friends were there! Hank the kitten, Lady Lumps the kitten, Hammy the fuzzy hamster, and all the other kittens. Then they all started to eat and eat and eat!

Then Hank said, "Let's go around the table and say some problems we have!" Everyone nodded but Darth.

"DARTH YOUR TURN FIRST, THEN PB!" yelled Hank excitedly.

Darth gulped in fear as he tried to speak. "I CANT DO IT!" said Darth.

Everyone chanted, "YES, YOU CAN!
YES, YOU CAN!"

That made Darth have more confidence,
and Darth said, "My problem is some people
don't like me because they think black cats
are bad luck."

PB said, "Some people don't like me
because they think that mice are invasive."

Then Hank said, "I'm a stray kitten,
and sometimes I get hungry."

"Me too!" said Lady Lumps.

Hammy said, "My problem is that I get
too hot because I'm fuzzy."

Then they all had a plan. The next day
PB and Darth snuck out of the house and

met up with their friends at the hair salon to give Hammy a haircut.

"I look amazing!" Hammy said with a smile.

Next, they all went to the pet store to get cat food for the stray kittens. "Thank you!" said all the kittens. Then the next day...

They became friends! ❤️

All about the characters

This is Hank and Darth in real life. Darth AKA Kitty was an abandoned kitten. When we found him, he was very sick. But now, he is a healthy

1-year-old cat. Then, Hank found Kitty, I think about four months ago. Hank would come inside and eat, but one day, we closed the door on him, and he escaped a few times now, but we still have him in the house now. Now, Kitty got ringworm, and he got it from Hank. So we can't touch kitty or the kitten. But they are being treated and are getting better.

This is Hank the Kitten.

This is PB. PB is a Fancy mouse, and I got him on Easter. He is a great friend and loves treats. He is fun to play with and loves to adventure! PB is always behind me during class and usually sleeps all day. PB is a very friendly mouse and loves to go outside.

This is Hammy. Hammy is a hamster that my sister got on her birthday. He is a Fuzzy Syrian Bear hamster. He is younger than PB, and they can't be together because they will fight. Hammy is also friendly and loves to go in his hamster ball.

*This book is for Darth, PB,
And all his wacky friends!*
